## “Pop Goes The Bubble” by PELLE Collection of 11 Special-Edition, Pop-Inspired Bubble Chandeliers

PELLE introduces “Pop Goes The Bubble,” a collection celebrating 11 years of the studio’s first and best-known design, the Bubble Chandelier, with 11 unique pop-inspired editions.

In the spirit of the holiday season, PELLE will donate 25% of all “Pop Goes The Bubble” net profit to Holy Apostles Soup Kitchen, a non-profit organization serving over 1,000 meals every weekday to homeless and underprivileged residents from the studio’s local neighborhood and greater NYC.

**Kiss Kiss** is a Small Bubble Chandelier, featuring glossy red lipstick imprints on the glass globes. The lipstick stains are in the manner of Marilyn Monroe’s cocktail napkin kiss prints.
